Forecast for Thursday 21 Apr 2022

Weather: Dry with good bright and sunny spells, most focused across the west and south. Chance of some lower cloud feeding around the foothills in the far north and east for a time early and late in the day.

Chance of cloud-free hill tops above 800m: 95%

Low Cloud and visibility: Generally good or very good, but very poor within cloud with some patchy cloud below 300m early and late in north and east, otherwise cloud well broken and largely above the summits.
